

PARENTS' ANNUAL GIVING

Support the *Legacy*...Support the PAG

WHAT IS THE FUNCTION OF THE ANNUAL GIVING DRIVE?

The Parents' Annual Giving Drive raises funds to cover the deficit between tuition and the actual cost of quality Catholic education at St. Mary's Dominican High School. The school relies on the success of the PAG Drive to assist in balancing the budget for the 2011-2012 academic year and to keep tuition as affordable as possible. Your support of the PAG Drive is an investment which directly benefits your daughter as she experiences the unforgettable journey that is Dominican Catholic education.

The 2011-2012 GAP is \$1,890.

We urge you to give or exceed the GAP.
