

ST. MARY'S DOMINICAN HIGH SCHOOL 2019 LEGACY GALA & AUCTION

diamonds are forever

December 2018

Dear Friend of Dominican:

St. Mary's Dominican High School, a New Orleans tradition since 1860, provides an excellent Catholic college preparatory program for young women in the metropolitan community. Founded over 150 years ago by seven Dominican Sisters from St. Mary's Convent – Cabra, Dublin, Ireland, the spirit of those dedicated and courageous sisters still lives in the halls of Dominican High School today. Dominican seeks to instill in its students the desire to step out boldly, as did the Irish founders, to provide leadership and unselfish service wherever there is need or opportunity.

To help ensure the continuation of this legacy, Dominican will host our annual Legacy Gala on **Saturday, February 16, 2019**, on campus, with the theme, *Diamonds are Forever*. We hope that that you and your company will support Dominican this year through a monetary contribution or auction item.

To make a monetary donation to the Gala, please visit www.thompson-auctions.net/legacygala or contact the Advancement Office at (504) 865-9401 ext. 1490.

To donate an auction item, please see the enclosed reply form. If you assign an expiration date to your donation, please consider that the items will not be purchased or awarded until February 16, 2019. A volunteer representative from our Auction Committee will follow up on this request to answer any questions and/or to make arrangements to pick up any item(s) you may wish to donate.

Your generous support will enable Dominican High School to continue the tradition of providing young women in the greater New Orleans area with an excellent education, while developing exceptional leaders for our community and beyond.

Our school's Federal Tax ID# is 72-0535376. Thank you for considering this donation.

Sincerely,

Jamie Gaubert Lassere '87
