Technology
at
ST. MARY'S DOMINICAN HIGH SCHOOL

All students are required to bring a personal computing device to campus daily.

Parents are encouraged to research their options to purchase a device, an insurance plan, and a durable case.

Minimum specifications are:

Windows 10 or higher operating system
At least 64 GB Solid State Drive (SSD)
At least 8 GB Random Access Memory (RAM))

Required specifications are:

Standard Keyboard
USB Port
No 3G or 4G capability
Touch Screen with Stylus

Not Acceptable:

Apple Products
Surface Go
Windows Home
Windows S

Parents may purchase the device at any retail outlet. The Microsoft Store in Lakeside Shopping Center does provide exceptional service for replacement due to machine failure or damage.

St. Mary's Dominican High School will provide students with a *Microsoft Office 365* account which includes a Dominican e-mail account, *Word, PowerPoint, OneNote*, and many other apps. Students and parents will also receive a *PlusPortals* account for monitoring the school calendar, grades, attendance, and other important information.
