

Science Course Supply Lists

Science 8:

- 3 ring binder with pockets or 1 subject notebook (at least 100 pages) with folder
- loose leaf paper
- blue or black pen
- pencil
- colored pencils
- scissors
- metric ruler
- highlighter
- calculator

Physical Science:

- spiral notebook with pockets exclusively for science work *or* 3-ring binder with a section labeled for physical science
- loose leaf paper
- calculator
- manila folder
- metric ruler
- graph paper
- high lighter
- pencil
- red pen
- blue or black pen
- colored pencils
- USB portable storage device (“flash drive”): 2GB or larger

Physical Science (Honors):

- spiral notebook with pockets exclusively for science work *or* 3-ring binder with a section labeled for physical science
- loose leaf paper
- calculator
- manila folder
- metric ruler
- graph paper
- high lighter
- pencil
- red pen
- blue or black pen
- colored pencils
- USB portable storage device (“flash drive”): 2GB or larger

Biology I:

- loose leaf paper
- blue or black pen
- notebook (any kind)
- colored pencils (7-10)

Biology I (Honors):

- loose leaf paper
- blue or black pen
- notebook (any kind)
- colored pencils (7-10)

Chemistry I:

- 3-ring binder or notebook with pockets
- blue or black pen
- pencils
- colored pencils
- colored markers
- bound composition book (any color) to be used as lab notebook
- manila folder (color to be specified in class)
- scientific calculator
- scissors
- glue stick
- cardstock paper (small pack-any color)
- folder
- highlighter (yellow or orange preferably)

Chemistry I (Honors):

- pencils
- blue and/or black ink pens
- large notebook or binder (with paper) for notes, problems, handouts, etc.
- smaller notebook or binder (with paper) for lab work
- scientific calculator

Chemistry II (AP):

- pencils
- blue and/or black ink pens
- large notebook or binder (with paper) for notes, problems, handouts, etc.
- smaller notebook or binder (with paper) for lab work
- scientific calculator

Anatomy:

- notebook or binder for notes
- pencil
- blue or black pen
- colored pencils
- manila folder (same color as the student's class color, ex: red for juniors, blue for seniors)

Anatomy (Honors):

- notebook or binder for notes
- pencil
- blue or black pen
- colored pencils
- manila folder (same color as the student's class color, ex: red for juniors, blue for seniors)

Biology II:

- notebook or binder for notes
- blue or black pen
- colored pencils
- folder for handouts

Biology II (Honors):

- notebook or binder for notes
- blue or black pen
- colored pencils
- folder for handouts

Earth Science:

- spiral notebook with pockets exclusively for science work *or* 3-ring binder with a section labeled for earth science
- loose leaf paper
- calculator
- manila folder
- high lighter
- pencil
- red pen
- blue or black pen

Physics:

- pencil or pen
- calculator
- computer
- notebook or binder (for notes)

Physics (AP):

- pencil or pen
- calculator
- computer
- notebook or binder (for notes)
