

Science Classes:

Science 8 Supplies

- A 3-ring binder (3 inches) with dividers to be used with all of your classes **or** a notebook with a folder (at least 100 pages)
- 1 - manila folder (any color) for storing tests (do NOT write your name on it – turned into the teacher)
- loose leaf paper
- blue or black pen
- pencils
- colored pencils or markers
- glue stick
- scissors
- highlighter
- calculator (non-graphing, needed for 4th quarter)

Physical Science Supplies

- spiral notebook with pockets exclusively for science work *or* 3-ring binder with a section labeled for physical science
- loose leaf paper
- calculator
- 1 manila folder (turned in to the teacher)
- metric ruler
- graph paper
- high lighter
- pencils
- pens (blue, black, red)
- colored pencils or markers

Physical Science Honors Supplies

- A 3-ring binder (3 inches) with dividers to be used with all of your classes **or** a notebook with a folder (at least 100 pages)
- 1 - manila folder (any color) for storing tests (do NOT write your name on it – turned into the teacher)
- loose leaf paper

- graph paper
- highlighter
- pencils
- pens (blue, black, and red)
- colored pencils or markers

Biology I Supplies

- loose leaf paper
- blue or black pen
- notebook (any kind)
- colored pencils (7-10)

Biology I Honors Supplies

- loose leaf paper
- blue or black pen
- notebook (any kind)
- colored pencils (7-10)

Chemistry I Supplies

- 3-ring binder or notebook with pockets
- blue or black pen
- pencils
- colored pencils
- colored markers
- bound composition book (any color) to be used as lab notebook
- manila folder (color to be specified in class)
- scientific calculator
- scissors
- glue stick
- cardstock paper (small pack-any color)
- folder
- highlighter (yellow or orange preferably)

Chemistry I Honors Supplies

- pencils
- blue and/or black ink pens
- large notebook or binder (with paper) for notes, problems, handouts, etc.
- smaller notebook or binder (with paper) for lab work
- scientific calculator

Chemistry II AP Supplies

- pencils
- blue and/or black ink pens
- large notebook or binder (with paper) for notes, problems, handouts, etc.
- smaller notebook or binder (with paper) for lab work
- scientific calculator

Anatomy Supplies

- notebook or binder for notes
- pencil
- blue or black pen
- colored pencils
- manila folder (same color as the student's class color, ex: red for juniors, blue for seniors)

Anatomy Honors Supplies

- notebook or binder for notes
- pencil
- blue or black pen
- colored pencils
- manila folder (same color as the student's class color, ex: red for juniors, blue for seniors)

Biology II Supplies

- notebook or binder for notes
- blue or black pen
- colored pencils
- folder for handouts

Biology II Honors Supplies

- notebook or binder for notes
- blue or black pen
- colored pencils
- folder for handouts

Earth Science Supplies

- spiral notebook with pockets exclusively for science work *or* 3-ring binder with a section labeled for earth science
- loose leaf paper
- calculator
- manila folder
- colored pencils
- highlighter
- pencil
- red pen
- blue or black pen

Physics Supplies

- manila folder (any color) for storing tests (given to teacher)
- pencils
- black pens
- graphing calculator (same one used in math class)
- notebook or binder (for notes)

Physics AP Supplies

- manila folder (any color) for storing tests (given to teacher)
- pencils
- black pens
- graphing calculator (same one used in math class)
- notebook or binder (for notes)
