Dear Parents and Guardians,

We believe that one of the most valuable investments you can make is in your daughter's Dominican education. St. Mary's Dominican High School strives to create a Catholic educational environment where students and faculty search for ultimate Truth, *Veritas*.

In order to have the resources to continue maintaining excellence in Catholic education, the Board of Directors, in consultation with the school Leadership Team, has approved an all-inclusive tuition of \$10,990 for the 2022-2023 school year.

St. Mary's Dominican High School partners with Blackbaud Tuition Management (formerly Smart Tuition) for the processing and collection of our families' tuition and fees. With Blackbaud Tuition Management you will be able to select a payment plan and payment type that works best for you. All parents/guardians of new students will need to enroll online with Blackbaud Tuition Management. A \$1,000 deposit is due upon completion of activation and is due March 14, 2022. The remainder of the tuition will be collected and processed through Blackbaud Tuition Management beginning in June 2022. **Please make sure to complete the online enrollment process no later than March 14, 2022.**

Included with this letter, please find the all-inclusive tuition schedule with payment timeline for the 2022-2023 school year. If you have specific questions about this information, please contact Mrs. April Myers in the Finance Office at 504-865-8471.

To assist in planning your family's annual budget, we want you to know that Dominican conducts a parents annual appeal, Dominican LEADS. Although we request a voluntary contribution, it is extremely important that all participate and contribute at the level commensurate with your financial capacity. It is in this generous spirit that Dominican can best provide opportunities for our students.

We give thanks to God for all who have contributed to the Dominican legacy that we share with our students and their families today. We welcome you and pray for a blessed year for each of your daughters.

Sincerely,
