

Summer Reading English II

Each student enrolled in English II class is expected to read one of the selections on the summer reading list. The selections were chosen to afford opportunities for further class discussion and will form the basis for assessment(s) during the year. Read with a highlighter and/or a pen so that you can mark important passages as you find them.

For each chapter, you should type a **two sentence** chapter summary explaining the main events/ideas of that chapter. Please type the summaries. These do not have to be lengthy; the purpose is to provide you with notes to review later. These summaries **MUST** be **ORIGINAL**. No summaries from Spark Notes, Barrons, etc will be accepted. All summaries will be subject to the school plagiarism policy. At the teacher's discretion, a class may be asked to submit summer reading assignments to turnitin.com.
