1 week {\$260}

2 weeks {\$470}

3 weeks {\$670}

All full-day June camp registrations include lunch catered by Sage Dining Services.

Weekly fees are nonrefundable after Friday, May 23.

DominiCampers will enjoy Theme Days and a special surprise every day!

DominiCampers will participate in on-campus activities. All DominiCamp activities are staffed by Dominican faculty, alumnae, and students.

DominiCampers choose from the following activities:

Drama-rama

An introduction to the Dramatic Arts. Experience the thrill of performing through pantomime, theater games, skits, and improvisation, including an end-of-camp performance. No prior experience necessary.

Science Quest

Discover science in a new and exciting way! The cool side of science is yours to tour with experiments and activities such as leaf printing, airplane flying, and bubble making.

Leadership Workshop

Find out how to positively influence and lead your peers with dynamic leadership skills. Under the guidance of Dominican Student Council members and using a hands-on approach, gain the knowledge that future leaders need to know to be successful!

Do-“mini” Chefs

Serve up some fun in the kitchen! Learn basic culinary skills, cake decorating, and simple recipes as you cook and eat your way through this experience.

Jewels & Gems

Charms and crystals and pearls - oh my! Design and create your own jewelry and accessories in this beading and jewelry-making class. Learn necessary techniques, such as bead design, stringing, wire twisting, and crimping. Express your artistic vision through beads in an array of shapes and colors while accessorizing your favorite summer ensembles.

Sports & Indoor Games

Ready, set, GO! Practice healthy competition by participating in a variety of activities. Team building and physical skills are the focus when playing capture the flag, scooter races, kick ball, and more.

Safe at home. Safe alone. (Grades 6-8 only)

Do you know what to do when there’s an emergency at home? Do you know how best to help children while babysitting? Safe at home safe alone reviews the best practices to stay safe when home alone or babysitting. Learn about first aid, CPR, child development, childcare skills, and babysitting skills from a certified Safe Sitter instructor. Campers will also learn about the business skills required to find good employers and discuss payment rates.

D-TV Video Production

Campers will embark on an exciting journey into the world of filmmaking. From mastering the art of camera operation to honing editing skills, this hands-on class offers a comprehensive experience. Campers will unleash their creativity, learning to shoot captivating footage and craft compelling stories through the magic of video editing. Get ready for a summer of lights, camera, action!

Create, Make, Innovate (Weeks 2&3 only)

What can you make in the new STREAM lab? Nothing can stop you from engineering ideas into reality with 3D printing, laser cutting, circuit-making, and more! Novice and advanced engineers are welcome to join in the weekly challenges and creations. Construct buildings and airplanes while you “bridge” friendships.

Jazz It Up

Learn the latest dance moves along with two routines to be performed at the end of camp.

While focusing on kinesthetic movement, this dance clinic gives you the opportunity to learn fun exercises and stay fit.

Math Mania

Catch the fever for numbers. Multiply your math talents with hands-on activities that bring math to life. Use your math skills to crack the code and break out the clues you need to solve a mystery. Jump in and tackle everyday problems with ease and confidence. Be a champion “mathlete.”

Arts & Crafts

Explore and experiment with a variety of mediums while creating works of art! Several projects will be completed using materials such as ribbon, paint, wood, and ink.

Sew Fun

To sew, of course! Learn the basic skills of sewing, cross-stitching, and crocheting. You’ll be hooked after creating crocheted bookmarks, cross-stitched designs, hand-sewn pillows, and more.

Domini-tectives

Be a new recruit on the D.H.S.I. (DHS Investigations) Detective Force! Learn to lift fingerprints, spot a forger, and make spy sunglasses. Participate in a weekly mystery using skills that you have learned all week. Complete your training and earn your badge as an official Domini-tective.

The Write Stuff

Grab a pen and become the next Dr. Seuss or Suzanne Collins! Explore exciting new vocabulary and your own creative genius through games, short stories, poetry, and even comics. The next great author is you!

Do-“mini” Master Chefs

Already earned a chef’s hat in Do-“mini” Chefs? Hungry for more? Grab a second helping learning meal planning, healthy substitutions, and more dessert decorating as you cook and eat new recipes. Bon Appetite!
